- It is the duty of every team member to work towards the accomplishment of the project.
- The group requires collaborative efforts of all its members to work in synchronization.
- There would be regular group meetings (at least once in a week) and it is mandatory for every member to attend the meetings without fail.
- Each member is free to express his or her views.
- Every idea would be considered and duly respected.
- Every member is expected to complete the assigned task in the allotted time frame.
- The crux of every meeting would be documented and recorded.
- The entire project would be monitored by a Version Control System preferably Git.
